We are excited that this year we were able to restart Third Friday and finalize the Founding Partners Campaign, which raised an additional \$15,300 in 2022. Our total for the Campaign was \$87,800 in cash and an additional \$22,500 in-kind contributions. We are now in the process of finalizing our 5-year plan for membership, which will raise an estimate of \$50k in its fifth year, for and an estimated five-year total of \$140,000.

Over the next five years we are committed to working with the city on the Medford 2040 Community Vision Plan and building together towards the goals in front of us to build a vibrant community. We believe in transparency and collaboration and understand that small business owners are the catalysts for change.

We are very thankful for our partnership with the City and look forward to continuing to build a stronger and ever growing vibrant community with you.

Sincerely,

Annie M Jenkins Annie Jenkins, Interim Executive Director
